## PROVENANCE

Our owners, Stirling and Jela Stewart, have always been exceptionally committed to using only the best local produce for our menus. This is why we ensure that all of our suppliers use sustainable sourcing and are found within a short distance from our premises. Please refer to our supplier map for details.

Our ethos is simple; sustainable and local. We also have a real passion for supporting fellow independent businesses and pride ourselves on the relationships we have created over the years!

## THE STORY OF THE ROCKETEER

The Rocketeers were North Berwick's 19th century equivalent of the superhero - local volunteers who would fire rockets, with rescue lines attached, across the bows of stricken vessels in the Firth of Forth. Their spirit lives on in our modern heroes - the local fisherman who catch and deliver some of the world's finest seafood from the waters right in front of you and which we are delighted to serve in The Rocketeer Restaurant.
